LABOR AGREEMENT

A G R E E M E N T

This Agreement has been entered into by and between the Houston Marketing Area of The Kroger Co., hereinafter referred to as the "Employer" and the United Food and Commercial Workers Local No. 455, chartered by the United Food and Commercial Workers International Union, AFL-CIO, hereinafter referred to as the "Union".

It is the intent and purpose of the Employer and the Union to promote and improve labor management relations between them and to set forth herein the basic terms of Agreement covering wages, hours, and conditions of employment to be observed.

In consideration of the mutual promises and agreements between the parties hereto, and in consideration of their mutual desires in promoting efficient conduct in business and providing for the orderly settlement of disputes between them, the parties to this Agreement agree as follows:

ARTICLE 1. RECOGNITION OF THE UNION AND BARGAINING UNIT

Section 1.01 The Union shall be the sole and exclusive bargaining agent for all employees employed by the Houston Marketing Area of Kroger Food Stores in stores operating in the counties of Aransas, Austin, Bastrop, Brazoria, Brazos, Bell, Brooks, Bureleson, Calhoun, Cameron, Chambers, Colorado, Duval, Fayette, Fort Bend, Galveston, Grimes, Hardin, Harris, Hildalgo, Jackson, Jasper, Jefferson, Jim Hogg, Jim Wells, Kenedy, Kleberg, Lavaca, Lee, Liberty, Matagorda, Milam, Montgomery, Newton, Nueces, Orange, Polk, Refugio, San Jacinto, San Patricio, Starr, Travis, Trinity, Tyler, Victoria, Walker, Waller, Washington, Webb, Wharton, Willacy, Williamson, Zapata, and stores operated in Nacogdoches and Angelina Counties by the Dallas Marketing Area of The Kroger Co., excluding all persons employed in the meat departments, store managers, co-managers, management trainees, professional employees, product demonstrators, guards and supervisors as defined in the L.M.R.A., as amended.

Section 1.02 The Employer agrees not to enter into any agreement or contract with the employees, written or oral, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement.

ARTICLE 2. UNION STORE CARD

The Union agrees to issue Union Store Cards to the Employer under the rules governing Union Store Cards as set forth in the Constitution of the United Food and Commercial Workers International Union. Such Union Store Cards are and shall remain the property of said International Union, and the Employer agrees to surrender said Union Store Cards to an authorized representative of the Union upon demand in the event of failure

LABOR AGREEMENT

by the Employer to observe the terms of this Agreement or the conditions under which said Union Store Card is issued. Union Store Cards will be displayed in a public area in all stores covered by this Agreement.

ARTICLE 3. UNION SECURITY

Section 3.01 During the life of this Agreement, the Employer shall deduct initiation fees and regular dues weekly from employees who are members of the Union and who individually and voluntarily certify in writing on the check-off authorization form for such deductions. Such authorization shall be binding on the employees for the duration of this Agreement unless the authorization is revoked in accordance with the provisions of the Taft-Hartley Act of 1947, as amended. No deductions shall be discontinued until the Employer has verified through the Union that the employee's request for withdrawal is timely and proper. The Union shall certify in writing a list of its new members, together with signed authorization cards with an itemized list of such initiation fees and dues to be deducted from such members. The Employer shall promptly remit all sums deducted in this manner to the Union monthly. Timing for such deductions may be worked out locally between the Employer and the Union.

Section 3.02 If there should be a change in the law permitting a Union Security Clause, the following shall, to the extent permitted by law, be effective as part of this Agreement, beginning upon the earliest date permitted by such enabling legislation.

Section 3.03 The Employer will deduct from its employees, who have certified in writing authorization to do so, a uniform political deduction in January and June of each year and forward such deductions by separate check to the President of Local No. 455, UFCW.

Section 3.04 It shall be a condition of employment that all employees covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing, and those who are not members on the effective date of this Agreement shall, on the thirty-first (31st) day following the effective date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on the thirty-first (31st) day following the beginning of such employment, become and remain members in good standing in the Union. For the purpose of this Section 3.04 only, the effective date of this Agreement, as referred to above, shall be determined in accordance with the provisions of Section 3.02 above.

Section 3.05 The Employer may secure new employees from any source whatsoever. During the first thirty (30) days of employment, a new employee shall be on a trial basis and may be discharged at the discretion of the Employer.

LABOR AGREEMENT

Section 3.06 The Employer agrees to notify the Union in writing within thirty (30) calendar days from the date of employment of the name and address of each new employee, his social security number, position for which he will be employed, date of employment and starting rate of pay. The Employer agrees to apply to such new employees the wage scale, hours and other conditions of employment set forth in this Agreement.

Section 3.07 Within the first forty-eight (48) hours of employment of a new employee, the manager of the retail establishment shall explain to the new employee that he has the right to join the Union and shall introduce such new employee to the store steward or business representative during working hours and shall give the store steward or business representative time to explain the Union Contract, to answer any questions, and to sign the new employee for Union membership. Such time shall not be an undue burden on the Employer.

ARTICLE 4. CLERKS WORK

To prevent the erosion of bargaining unit work, driver salesmen, book salesmen, or sales representatives shall not perform work or services in the Employer's retail establishments in excess of the prevailing practice in the industry in the areas covered by this Agreement at the time of this Agreement, as further explained by Letter of Agreement, attached.

Product demonstrators shall be excluded from performing any work normally performed by bargaining unit employees. Their duties might include wrapping or slicing the demonstrated product to sell at the time of customer contact only.

ARTICLE 5. TECHNOLOGICAL CHANGE

The parties recognize that automated equipment and technology is now available for the retail food industry. The Employer recognizes that there is a desire to protect and preserve work opportunities. At the same time, the Union recognizes that the Employer has the right to avail itself of modern technology. With this common objective, the parties agree as follows:

In the event the Employer introduces major technological change, which would have a direct material impact affecting bargaining unit work, sixty (60) days' advance notice of such change will be given to the Union.

In addition, the parties agree:

1. The Employer has the right to install such equipment.
2. Any training or necessary retraining will be furnished expense free by the Employer to affected employees.

LABOR AGREEMENT

3. Where employees would be displaced by such installation, the Employer will make every effort to affect a transfer.
4. If an employee is not retrained or transferred and would be displaced as a direct result of major technological change, as defined above, then the employee would qualify for separation pay if:
 - a. The employee had two or more years' continuous service.
 - b. Does not refuse a transfer within a twenty-five (25) mile radius.
 - c. Does not refuse to be retrained.
 - d. Such action does not occur more than one (1) year from date of installation.
 - e. Does not voluntarily terminate employment.
5. Severance pay would be paid at the rate of one (1) week's pay for each year of service in excess of two (2) years, not to exceed eight (8) weeks.
6. Severance pay would equate the average number of hours worked the fifty-two (52) weeks preceding displacement, not to exceed forty (40) hours' straight-time pay.

ARTICLE 6.

DISCHARGE AND DISCRIMINATION

Section 6.01 The Employer shall not discriminate against an employee for upholding Union principles, serving on a committee of the Union or any organization affiliated therewith.

Section 6.02 An employee may be discharged for proper cause, and the Employer shall give notice in writing of such discharge to the Union. The Employer shall not discharge any employee without proper cause and shall give at least one (1) written warning notice of the specific complaint or complaints against such employee to the employee and to the Union, except that no warning notice need be given to an employee before discharge, if the cause of such discharge is dishonesty, drunkenness, falsification of application for employment (discharge for falsification of application for employment must be within sixty (60) days from date of hire), recklessness resulting in a serious accident while on duty, or refusal of any employee to

LABOR AGREEMENT

accept a job assignment, possession of or use of an illegal controlled substance (such as marijuana, heroin, etc.) on company premises, or a felony conviction of possession or use of an illegal controlled substance (such as marijuana, heroin, etc.), maintaining or possession of any firearm on company premises; an employee who fails to notify store management of his absence and reasons therefore within the first (1st) two (2) consecutive scheduled workdays of such absence; in the application of this understanding and agreement, it is understood that the employee will not be required to call in every two (2) consecutive scheduled workdays, after the required initial notification has been given. Such employee will be subject to discharge without a prior warning notice; or is covered by reasonable work rules agreed in writing between the Employer and the President of the Union, provided the Employer gives the Union President at least thirty (30) calendar days advance written notice of any proposed new work rules governing employee conduct for which a written notice will not be required before discharge. In the event that the Employer and the Union President cannot reach agreement upon the reasonableness of such proposed work rule(s) within the aforementioned time period, either party may refer that issue to the dispute procedure for final determination. Such a disputed proposed new work rule(s) shall not be implemented until such has been approved by an arbitrator.

Section 6.03 Warning notices shall be void after six (6) months from date of issue.

Section 6.04 The Union may thereupon file a written complaint with the Employer within seven (7) days after the Union receives notice of such discharge. Said complaint must be taken up within fourteen (14) days from the date it is filed with the Employer, by the Union's representative and the Employer's designated representative, and it may be referred to the Board of Arbitration in the event the Union and the Employer's designated representative fail to reach an agreement. Should the Board determine that it was an improper discharge, the Employer shall reinstate the employee in accordance with the findings of the Board of Arbitration.

Section 6.05 Upon receipt by the Union from the Employer of a warning notice or Corrective Action Record, an employee who feels that such charge was unfair or unwarranted, shall have fifteen (15) days from receipt by the Union of such notice to file a grievance concerning the Employer's action.

Section 6.06 Cash Control

The Employer shall have the right to maintain and publish rules and regulations governing the operation of the cash register. Such rules and regulations shall be posted in each store and made available to the employees. The reasonableness of such rules and regulations are subject to the grievance procedure. The employees shall not be required or allowed to make up cash register shortages.

LABOR AGREEMENT

Section 6.07 Any senior employee (five (5) or more years' service) who is about to be discharged due to absenteeism will have his or her circumstances reviewed by a two (2) person committee consisting of the Regional Director of Labor Relations of The Kroger Co. and the President of U.F.C.W. Local #455. Should this committee be unable to agree upon a solution, the matter may be referred to arbitration as proposed in Article 20 of this Agreement.

ARTICLE 7. SENIORITY

Section 7.01 Definition:

(a) Seniority shall be defined as the length of continuous service of the employee with the Employer from the employee's last date of hire and no employee shall suffer loss of seniority by reason of approved leave as defined in this Agreement.

(b) No employee shall acquire any seniority rights until the employee has been in the bargaining unit thirty (30) days, and provided further, that after thirty (30) days, the seniority date shall revert to the date the employee entered the bargaining unit.

An employee who is promoted out of the bargaining unit to a management position and then returns to the bargaining unit without a break in service shall retain his or her original seniority date prior to the promotion, adjusted to show time spent out of the bargaining unit.

(c) Seniority shall be by classification as shown in the Wage Schedule of this Agreement. Seniority shall be on a store, zone or district, city and contractual basis in the Houston area, and in other areas on a store, city, areas and contractual basis. (Areas to be agreed upon.)

(d) Employees who are permitted to transfer by the Employer from stores which are covered by a separate labor agreement with UFCW Local #455, shall be permitted to retain their seniority date in the new bargaining unit.

Section 7.02 Seniority Lists:

(a) Seniority lists shall be established and maintained, and such records shall be available to the Union at all times. Full-time employees shall have seniority over part-time employees and General Clerks. A full-time employee reduced to part-time shall retain his or her seniority until the employee has exercised his or her rights as specified in Section 7.04.

(b) Full-time employees

Definition of a full-time employee will apply where full-time employee appears in this Agreement, and will be defined as follows:

STATE OF NEW YORK

An employee (excluding General Clerks) will be classified as a full-time employee at the end of any twelve (12) consecutive workweeks during which his average hours worked per week equal or exceed thirty-two (32) hours per week.

(c) Time not worked because of a holiday shall be counted as time worked towards qualification as a full-time employee, regardless of whether or not the employee is entitled to holiday pay.

(d) For an employee who meets the aforesaid requirements, continued service as a full-time employee shall be dated back to the first day worked in the first of the twelve (12) qualifying weeks.

(e) Once an individual has qualified as a full-time employee, he shall be removed from full-time status only:

1. If he is discharged.
2. If he quits voluntarily, or becomes unavailable for full-time work because of another job.
3. If he is permanently laid off due to elimination of job.
4. If he has been reduced at his voluntarily written request.
5. If the employee works less than thirty-two (32) hours per week of the basic workweek each week for six (6) weeks.
6. A school student averaging thirty-two (32) or more hours in a basic workweek during the summer will be retained in a part-time basis until October 15. If he is still working at that time, has met all requirements for classification as a full-time employee, and is still averaging thirty-two (32) or more hours in a basic workweek, he shall be classified as a full-time employee.

Section 7.03

Choice of Schedules and Hours:

(a) Employees by classification and job assignment shall be entitled to a choice of a total weekly schedule by seniority. This claim must be made by 12:00 Noon, Saturday after the posting of the schedule for the succeeding week's hours of work. An employee shall be permitted to exercise his or her claim for a weekly schedule only once in every ninety (90) days, unless his or her schedule is changed for more than

LABOR AGREEMENT

one week. (Changes of a total of four (4) hours or less per week shall not be considered a schedule change.) Such schedule shall not be arbitrarily or capriciously changed by the Employer.

(b) Full-time employees by classification within a store and where the employee is qualified to do the work available, will be given the daily and weekly schedule with the most hours by seniority. At least 55% (effective 6-1-84 50%) of the scheduled hours (excluding Sacker/Carryout hours) shall be forty (40) hour schedules by store. This provision shall not apply during the first twelve (12) weeks of a new store opening or a major remodeling. To determine the number of forty (40) hour schedules per store, fractions will be treated as follows:

One-half ($\frac{1}{2}$) or over - Equals a full schedule
Less than one-half ($\frac{1}{2}$) - Drop

Forty (40) hour shifts shall be scheduled in compliance with Section 8.01.

The Union agrees, that should the Employer become unable to comply with the above because of compliance would result in inadequate coverage of schedules, addition of unnecessary hours, etc., to meet with the Personnel Manager and the President of the Union, or his designee, in an effort to work out a suitable solution to the specific problem.

Effective June 1, 1984, the Employer shall be allowed no more than one (1) General Clerk for each forty (40) hour employee covered by the Collective Bargaining Agreement, excluding Sacker/Carryouts. The General Clerk ratio shall not apply for the first (1st) twenty-six (26) weeks of the opening of a new store or major remodeling.

(c) Part-time employees by classification and General Clerks with the most seniority within a store and where said employee is qualified to perform the work and is available will be given the remaining total weekly schedules with the most hours.

(d) Where additional hours in a store become necessary to add due to employee's absence, increased volume, etc., it will be done by seniority as defined in this Article. Employees will not necessarily be called in unless the additional hours exceed four (4) hours or more or the additional hours would run into overtime.

(e) Any grievance arising out of scheduling must be presented by 4:00 p.m. on Saturday of the week the schedule is posted by the employee involved; otherwise, said employee will be deemed not to have a valid grievance.

(f) In a general layoff or where inequities exist, the Employer and the Union will meet, and such arrangements worked out will be final and binding on all parties.

LABOR AGREEMENT

(g) Part-time employees and General Clerks shall have first choice for regular full-time jobs based on seniority, provided they are capable of performing the work. Employees desiring such full-time jobs shall notify the Zone Manager in writing by either January 20th and July 20th of each year that they desire full-time work and are available. Such request will be for any full-time jobs that might occur during a six (6) month period from the first day of each month following such specified dates.

Should the vacancy not be filled as specified above, then said opening will be offered by seniority within the store.

(h) The word qualified as it appears in the Agreement shall be intended to mean that an employee has knowledge of the policies, procedures, method and normal work processes that are necessary to perform the job and the employee would require reasonable orientation to perform the job in a satisfactory manner.

(i) The Employer agrees not to schedule two (2) employees where one (1) could be scheduled to do the work available and said employee is qualified and available.

Section 7.04

Layoff, Recall and Vacations

(a) Seniority by classification shall apply in layoff and recall, provided the senior employee retained can perform the work available.

In layoffs or reduction in hours of a full-time employee, when they have averaged working four (4) consecutive weeks at less than thirty-two (32) hours, the employee shall have the right to exercise any one of the following:

1. Displace the least senior full-time employee in accordance with Section 7.01.
2. Accept less than full-time employment in their classification within their store, provided they can perform the work available.
3. Displace the least senior employee in another classification in their store, provided they can perform the work available, and with the understanding that the employee will be paid at the appropriate rate in that classification.
4. Accept layoff.

(a-1) In layoffs of a part-time employee, the employee shall have the right to exercise one of the following:

1. Displace the least senior part-time employee in a lower classification in their store,

LABOR AGREEMENT

provided the employee can perform the work available, and with the understanding that the employee will be paid at the appropriate rate in that classification.

2. Employees with two (2) or more years of service will be allowed to displace the least senior part-time employee in accordance with Section 7.01 after he has been laid off for three (3) consecutive weeks.

3. Accept layoff.

(a-2) In layoffs of a General Clerk employee, the employee shall have the right to exercise one of the following:

1. Displace the least senior employee in a lower classification in their store, provided they can perform the work available with the understanding that the employee will be paid at the appropriate rate in the classification.
2. Employees with two (2) or more years of service will be allowed to displace the least senior General Clerk in accordance with Section 7.01 after he has been laid off for three (3) consecutive weeks.
3. Accept a layoff.

Sacker/Carryout employees shall have store seniority only.

(b) Full-time employees with five (5) years or more of seniority who are employed in any separate bargaining unit of UFCW Local #455 outside the metro area of Houston who are laid off due to store closing shall be allowed to displace the least senior full-time employee in accordance with Section 7.01c.

(c) Seniority shall apply in choice of vacation time. Employee's vacation choice will be granted as long as the number of employees off at any one time does not interfere with the efficient operation of the store.

Section 7.05

Sunday and Holiday Rotation

Sunday and holiday work shall be rotated among qualified employees who sign a list (which will be posted in the store office and will

LABOR AGREEMENT

be updated on a quarterly basis) that they are available to work on a continuing basis. Where additional employees are needed, the junior employees must work in inverse seniority order by store.

Full-time employees who request to work on Sundays or holidays will have those hours included in the basic workweek. Employees who are scheduled in inverse seniority order for Sunday or holiday work, those hours will also be included in the basic workweek. Only employees who work forty (40) hours in five (5) days, which include Sundays and holidays in their schedule, may be counted to comply with Section 7.03b.

Section 7.06

Promotions or Transfers:

(a) Employees who desire transfers from one type of work to another or a promotion to a higher classification shall make their wishes known in writing to their Zone Manager with a copy to the Personnel Manager and the Union. When openings occur, employees will be considered by seniority from those who have made their wishes known.

(b) Where it becomes necessary to transfer an employee from one store to another, the Employer shall have the right to determine whether the employees in that job classification are qualified for the available assignment. All circumstances being reasonably equal, the job shall be offered to the most senior employees. In the event that the most senior employee refuses the transfer, the junior employee will be transferred.

(c) Full-time employees desiring to transfer from one store to another store of the Employer shall make such request in writing to the Employer's Zone or District Manager and the Personnel Department with a copy to the Union office. Such request shall remain on file with the Employer for a period of six (6) months, during which time, if the Employer has any openings occurring within their classification within any store or stores requested by the employee, the employee shall be granted such transfer, providing the employee is qualified and available to work the schedule.

Section 7.07

Seniority will be broken if an employee:

1. Quits.
2. Is discharged for just cause.
3. Is laid off continuously for a period of more than six (6) months.
4. Fails to return to work after being recalled by the Employer by registered letter (or telegram) to his last known address and does not report for work within one (1) week (7 calendar days) from date of his registered letter.

General Clerks will start on the first (1st) step and advance up the pay scale on the basis of one (1) bracket for each 450 hours worked.

B. Any employee who is permanently assigned to a higher classification shall be placed in the next wage bracket in the new classification that will afford him an hourly increase, except in the cases where both rates are the same. In such cases, the employee will be assigned the same rate and will progress to the higher brackets in the new classification by normal progression.

C. Previous Experience

1. Previous proven comparable experience within five (5) years from date of present employment, as shown on application for employment shall be the basis for determination of the new employee's rate of pay.

2. Claims for rate adjustment based on previous experience not listed on the application for employment must be filed in writing within thirty (30) days from date of employment; otherwise, the employee forfeits any claim under this provision.

3. In the event that the Employer is unable to verify previous experience, the employee and the Union shall be notified in writing. The employee shall have ten (10) days from receipt of such notice in which to file a grievance.

D. Other Work: Employees shall perform any work, except meat department work, which the manager of the store or District Manager, may direct with the understanding that when an employee is assigned to a job with a lesser rate, he will be entitled to his regular rate of pay, unless due to a decrease of work, he has been regularly assigned to a lower-rated job and desires to retain such job rather than accept a layoff.

An employee may be upgraded on a temporary basis to a higher classification only in emergency situations (such as absence of another employee due to sickness, etc. when no other arrangements can be provided), and the employee will be paid the rate for that particular classification. Upgrading of employees on a temporary basis will be noted on the back of the time card at the time of the upgrade.

If the violation is substantiated, the most senior clerk in this classification will be paid for all hours worked, on the day the violation took place, at the appropriate regular clerk rate. In the event of a second violation of this section occurring within one year within the same store, the Union shall have the right to terminate the Sacker/Carryout classification for a period of three (3) months in the store involved.

(b) In the event a third (3rd) violation should occur within one (1) year in a store, then the Union shall have the right to terminate the Sacker/Carryout classification for a period of one (1) year in the store in which the violations have occurred.

LABOR AGREEMENT

(c) Where the Union exercises its right to terminate the Sacker/Carryout classification, then those employees working in the store under the Sacker/Carryout classification shall be promoted to the appropriate clerk classification, and that rate shall prevail thereafter for such employees.

UFCW Local No. 455

Dear Mr. Wooster:

This letter will summarize discussions which took place during our 1981 contract negotiations regarding the identification of Non-Food work in our stores. The concern of the Union at the time stemmed around an arbitration case between a Denver company and the Denver Local of the UFCW which took place as a result of that company making wholesale transfers of items to their Non-Food departments.

As stated in those negotiations, it is not the intention of The Kroger Co. to take the position of the Denver company. We do not plan to declare everything non-edible as non-food for the purpose of classifying work. At the same time as we have discussed, merchandising decisions from time to time dictate the greatest sales potential can be achieved on a particular product by changing location and merchandising responsibility from food to non-food or vice-versa. Therefore, we must maintain flexibility for some movement to achieve what is best for the Company, our employees, and members of the bargaining unit, that of maximizing sales achievement. Nothing contained in either the above agreement or this letter shall be construed or interpreted as limiting or impairing such flexibility.

I hope this clarification of intent will settle any concerns you may have.

If you concur in the above, please sign in the space provided below.

Dear Mr. Wooster:

This Letter of Agreement shall be attached to and become a part of the Agreement between Local No. 455, United Food and Commercial Workers and The Kroger Co., Houston, Texas, effective February 19, 1984, through February 21, 1987.

CLERK WORK

It is agreed that the prevailing practice of work performed by driver salesmen, book salesmen, or sales representatives in the area covered by this Agreement can further be explained as follows:

1. Many outside sales personnel (as outlined above) perform the service of checking their merchandise, removing their outdated products from sale for credit, making out orders based on shelf inventory, etc., and this practice should not be construed to be a violation of the Agreement.
2. It is further understood that the practice of outside sales personnel working in preparation of and assistance during new store openings, remodels or resets is a valuable contribution to the future success of a particular store and should not be construed to be a violation of the Agreement.
3. In addition to the above, the established practice of stocking by certain vendors shall not be a violation of the Agreement. Those products in Conventional Stores are as follows: beverages, ice, bakery products (cookies, bread, cakes, etc.), snacks, chips, etc., dairy products, ice cream, tobacco and tobacco products, magazines, books, greeting cards, etc., party supplies, candles, etc.,

records, hosiery, baby food, specialty and ethnic foods, spices, dressings, floor care rental equipment and supplies, brooms, mops, etc., candy, nuts, gum, pasta products, rack jobber (sewing notions, toys, pet supplies, window shades, foot care products, garden supplies, shoes, soft goods, patterns, hardware, cosmetics), fire wood, produce specialties (plants, flowers, etc.), bottled water, fishing supplies, sporting goods, paint, leather goods, appliances, auto supplies, and clothing.

NON-FOOD VARIETY CLERKS

Pursuant to our discussions, the following items, to the extent that they have been historically handled by the Food Clerk classification of employment, will continue to be handled by that classification, such as:

Dog food, cat food, detergents, bleaches and other household cleaning chemicals and floor waxes.

PHARMACISTS

Pharmacists and Pharmacist Interns shall not be permitted to perform work in the stores outside the area of the pharmacy which is normally performed by employees in the Clerk bargaining unit.

This would not in any way preclude Pharmacists from conducting themselves in a professional manner to service a patient's needs.

PREFERRED SCHEDULES

The following agreement should be added as a further explanation of Section 7.03a:

The Company agrees to give a limited number of the most senior employees (employees with greater than 10 years' service) reasonable preference of the choice of schedules, consistent with the needs of the business, thus allowing the most senior employee to work preferred shifts.

If you concur in the above, please indicate by signing in the space provided below.
